What years have you participated as a professional instructor? 2010-2020

How did you first learn about Swinging with the Stars? I attended the event in 2009

Why did you agree to teach our local celebrities their dances? I love being a part of such a wonderful event for an amazing cause. It allows me to meet new people in our community and share my passion of dance with others.

What was the funniest moment you had with one of our local celebrities? Lol...I can't say. But it was with Carey Small.

What is it about Swinging with the Stars that makes it so special, or that sets it apart from other events? For me it is set apart from others simply because it involves dance. We will all eventually need the services of COHA at some point in our lives. It is nice knowing that we are raising money for such an incredible organization.

Has Swinging with the Stars impacted your life? I never knew the importance of COHA until I came on board with Swinging with the Stars. Knowing that loved ones will be taken care of at the end of their lives brings me great comfort. I have met lifelong friends while being a part of this event and I look forward to when we can hit the dance floor again.
