

Name: Carolyne Gamble

Tell us about yourself: I am a Funeral director/embalmer with Dignity Memorial. As a child and teenager I was a figure skater so I guess one would say I did dance just on the ice.

What is your favorite memory from your performance? I would say completing the whole routine flawlessly, our team was amazing and we collaborated throughout the entire performance. The crowd was cheering and the adrenalin was extremely high that night and we took home Audiences Choice!!

Are you still dancing today? Only when I am house cleaning LOL.

What backstage moments stand out to you today? Meeting the other teams and getting to know them and how EVERY team supported the other one before and after their performance.

Has this experience inspired you to do other life changing things? Every day I try to be better than the day before despite the world today. I think it would be great for our team to dance again!

Is there anything else you'd like to share? It was truly an amazing experience and I love how our community came together for such a wonderful cause. I am a funeral director so I see families on a daily basis, first hand when they have lost a loved one, and it makes me proud that I was part of such an amazing event. Well done to all involved.
