

Name: Curtis Quigley

What was your style of dance and why did you choose that one? Night Club 2 step, and my dance professional had thought it would be a good one for us to take on, yeah right little did she know, or and I of course.

What was your connection to COHA at that time? My Mom had passed away in Hospice in Edmonton, while I was training for Swinging with the stars, very emotional time for me at that time.

What is your favourite memory from your performance? My professional dance coach, Sharon Sebo was just a gem through the whole process. It truly made me realize that there are just some fantastic people in Kelowna who do fantastic things.

What backstage moments stand out to you today? Just a wonderful group of people doing things completely out of there zone of norm, have always said, kudos to you all.

Is there anything else you'd like to share? Truly a great cause, and the professional dance coaches need to always be congratulated on the fantastic job they all do, I would definitely do it again.
