

Name: Deanne Collinson

Tell us about yourself: I am a small business owner and a yoga enthusiast, and a mother of two

What years have you been a campaign manager for Swinging with the Stars? Last year (2020) was my first campaign.

Have you also danced at the event, or participated in any other way? I was also dancing with Team Invati last year, so got to wear both hats.

How did you first learn about Swinging with the Stars? I actually attended the event in support of another friend who was dancing in the 2018 SWTS event. I thought it was amazingly well organized, entertaining, and above all, a wonderful fundraiser for a worthy cause.

How has Swinging with the Stars impacted your community involvement? I've always been involved in community and school (former teacher) projects, but SWTS was the first gala in which I performed. I'm usually planning and "behind the scenes". It was a wonderful experience to be a part of such an amazing cause. The whole evening is etched in my memory!
