

Name: Jenn Esbjerg (formerly Taylor)

Tell us about yourself: I'm a flight attendant for WestJet and have owned The Wedding Café in Kelowna for 11+ years. Since doing Swinging with the Stars I've become a wife, a mom (both fur baby and real baby).

What was your style of dance and why did you choose that one? To be honest I forget, because there were 3 styles! Waltz and 2 others! My partner, Chris Thorburn knew I had a dance background and so wanted to challenge me further.

How did you first learn about Swinging with the Stars? I heard about it a lot around the community for years.

What was your connection to COHA at that time? My nana had passed from cancer recently before that and I wanted to give back.

What is your favourite memory from your performance? Oh that's a tough one! I would say being able to perform again- we did 2 quick costume changes that the audience didn't expect- those were fun to surprise them with!

Are you still dancing today? Only with my toddler.

What backstage moments stand out to you today? Being nervous with Loyal and Ian. I had known them for a while and was nice to have a friend to share the nerves with.
