

Name: Lane Shupe

What was your style of dance and why did you choose that one? South American style. The dance was called the bachata.

How did you first learn about Swinging with the Stars? Friends, family and Silk FM radio.

What is your favorite memory from your performance? Walking out into the dance floor and everyone was smiling and giving me the thumbs up. Then when we won The People's Choice Award everyone stood up and clapped. Just exhilarating!

Are you still dancing today? Yes

What backstage moments stand out to you today? My dance instructor was kind, supportive and very professional. All of the excitement of the dancers was so fun. My instructor was dressed as Zorro with a whip so it created quite a stir.

Has this experience inspired you to do other life changing things? Yes, I take more risks now than I did before.
