

Dance Company: Leona from Kelowna

Tell us about your company: I am a teacher that focuses on teaching women to move their bodies, build their confidence and love themselves through dance.

How many years have you participated as a professional instructor? 2 years

How did you first learn about Swinging with the Stars? From Luki Dance Productions

Why did you agree to teach our local celebrities their dances? Hospice work means a lot to me. With life comes death and if we can give grace and ease to those at the end of their life this is important work.

What was the funniest moment you had with one of our local celebrities? No super funny memories, just fond positive memories of working with some lovely ladies.

What is it about Swinging with the Stars that makes it so special, or that sets it apart from other events? For me it is the cause, not the event that is so special.

How has Swinging with the Stars impacted your life? Swinging with the Stars hasn't changed my life, it adds to it with connection and community.
