

**Name:** Lin Diamond

**Tell us about yourself:** I am a Family Service Advisor with Dignity Memorial. I danced when I was a teenager and really enjoyed the movement of the body. I had an amazing time doing something outside of the office with my team and this made our moral unbelievable.

**What year did you dance?** 2019

**What is your favorite memory from your performance?** The evening of and how we had cohesively come together. The energy and joy was amazing and I had so much fun!

**Are you still dancing today?** Always...well by myself, or if I go out...but COVID

**What backstage moments stand out to you today?** Meeting fellow dancers and enjoying their company was a warm enjoyable time for me. Seeing other people who I knew as dancers who were not on my team, great time to do something for an awesome cause together.

**Has this experience inspired you to do other life changing things?** I am thinking about joining an adult dance group. Also we would love as a team to one day dance again.
