

Name: Scott Dedels

Tell us about yourself: I am a former board member, a partner at CapriCMW Insurance, and one of the few lucky people to get to dance at SWTS twice!

What year did you dance? 2016, 2018

What was your style of dance? Disco style, both times

How did you first learn about Swinging with the Stars? I had attended the event as a sponsor for a number of years prior to dancing.

What is your favourite memory from your performance? My second go around I got to partner dance with Jenny Large, who was also our team's coach in the first performance. We had so much fun learning from her in round 1, getting the chance to dance on stage with her in round 2 was a real treat.

Are you still dancing today? Only in the shower

What backstage moments stand out to you today? The comradery, by the night of the actual event, all the participants have put in so much work and everyone is nervous. It's great to see people want everyone to just get out and have fun and put on a show.
