What year did you dance? 2016

What was your style of dance and why did you choose that one? What is Bruno Mars music? I was a late addition to the group of 7 by 2 weeks (Thanks Phred) so the song was already chosen. It was FUNKY!

How did you first learn about Swinging with the Stars? When John and Maria Byland won the first year!

What was your connection to COHA at that time? I knew of COHA for some time as they were a tenant.

What is your favourite memory from your performance? The group dance was fun, and we all had smiles at the costumes we were wearing. It broke the ice we all had.

Are you still dancing today? Depends what music is playing. Some songs want you to get up and dance.

What backstage moments stand out to you today? The nerves and frantic costume changes.

Has this experience inspired you to do other life changing things? No – I just don't want to sky dive or go bungee jumping.

Is there anything else you'd like to share? I loved the whole experience, and it was one of the highlights of my life.
